39 (2) For Fiscal Year 2021 a calculation was made to determine the increase that the New Castle County Volunteer  
40 Fire Companies received for the insurance premium tax in Calendar Year 2019 versus Calendar Year 2018.  
41 For Fiscal Year 2021, the funding for this allocation will remain at Fiscal Year 2020 levels. It is the intent of the General  
42 Assembly to review this allocation in Fiscal Year 2022. That amount was added to the base allocation to each Volunteer  
43 Fire Company in Kent and Sussex Counties. The base represents \$22,401 included in the Fiscal Year 1999 Grant-in-Aid  
44 Appropriation Bill. For each subsequent fiscal year, a similar calculation will be made and if there is an increase from one  
45 fiscal year to the next fiscal year, that amount will be added to the \$22,401 base to become the amount to be paid for that  
46 fiscal year. At no time will the amount for Kent and Sussex Volunteer Fire Companies be less than the base amount of \$22,401.

47 (2) For the current fiscal year, a calculation was made to determine the increase that the New Castle County Volunteer  
48 Fire Companies received for the insurance premium tax by calculating the difference between the two calendar years that  
49 immediately precede the current calendar year. The Joint Finance Committee intends to review this allocation annually  
50 for determination of the amount to be added to the base allocation to each Volunteer Fire Company in Kent and Sussex  
51 Counties. At no time shall this amount be less than the base amount of \$22,401 that was included in the Fiscal Year 1999  
52 Grant-in-Aid Appropriation Bill.
