74               The Superior Court shall have exclusive original jurisdiction over all criminal violations of this subchapter.".

#### SYNOPSIS

This Act adds the term "sexual orientation" to the already-existing list of prohibited practices of discrimination. As such, this Act would forbid discrimination against a person on the basis of sexual orientation in housing, employment, public works contracting, public accommodations, and insurance. In addition, this Act would establish that the Superior Court, in the first instance, would hear and adjudicate alleged criminal violations under the Act of equal accommodations, fair housing and employment discrimination.
