DELAWARE STATE SENATE
146th GENERAL ASSEMBLY

SENATE BILL NO. 111

AN ACT TO AMEND TITLE 14 OF THE DELAWARE CODE RELATING TO THE DELAWARE
INTERSCHOLASTIC ATHLETICS ASSOCIATION.

1 WHEREAS, a concussion is a type of brain injury which changes the way the brain normally functions; and
2 WHEREAS, recognizing and responding to concussions when they first occur helps to aid recovery and to prevent
3 prolonged concussion symptoms, chronic brain damage or even death; and
4 WHEREAS, a recent study estimated that more than 40 percent of high school athletes return to participate in
5 school athletics before they have fully recovered from these serious head injuries; and
6 WHEREAS, an estimated 400,000 high school athletes sustained concussions while participating in five major
7 male and four major female sports during the 2005-2008 school years; and
8 WHEREAS, the number of youth athletes taken to emergency rooms with sports-related concussions has doubled
9 during the 10 year period from 1997 to 2007; and
10 WHEREAS, among youth aged 14 to 19, emergency room visits for concussions sustained during team sports
11 more than tripled over the same period; and
12 WHEREAS, eight states have adopted similar concussion-awareness and prevention laws; and
13 WHEREAS, the National Football League and the National Athletic Trainers' Association have announced a joint
14 effort to promote legislation to raise awareness and protect youth athletes from the risk of concussions; and
15 WHEREAS, the Center for Disease Control and Prevention (CDC) estimates 1.6 to 3.8 million sports and
16 recreation related concussions occur in the United States each year; and
17 WHEREAS, an athlete should return to sports activities under the supervision of an appropriate health care
18 professional; and
19 WHEREAS, the State Council for Persons with Disabilities (SCPD) Brain Injury Committee's mission is to
20 promote a consumer-oriented, effective injury and prevention service delivery system; and

21 WHEREAS, the Department of Education and the SCPD regularly work in consultation regarding regulations and
22 policies that impact students; and

23 WHEREAS, the Department of Education has worked in consultation with the SCPD Brain Injury Committee in
24 reviewing the Delaware Interscholastic Athletic Association's (DIAA) current concussion policy; and

25 WHEREAS, the Department is encouraged to continue to work in consultation with recognized experts including
26 the SCPD Brain Injury Committee and the Brain Injury Association of Delaware in developing, reviewing, and updating
27 their concussion policies;

28 NOW THEREFORE:

29 BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

30 Section 1. AMEND §303, Chapter 3, Title 14 of the Delaware Code by inserting a new subsection (d) as follows:

31 “(d) The Association shall adopt rules and regulations applicable to member schools regarding the appropriate
32 recognition and management of student athletes exhibiting signs or symptoms consistent with a concussion. The rules and
33 regulations shall include, but not be limited to, the following requirements which shall be effective no later than the 2012-
34 2013 school year:

35 (1) Each student athlete and the athlete’s parent or guardian shall annually sign and return a concussion
36 information sheet designed by the Association prior to the athlete initiating practice or competition.

37 (2) Each coach shall complete concussion training consistent with a timetable and curriculum established
38 by the Association.

39 (3) A student athlete shall be promptly removed from play if the athlete is suspected of sustaining a
40 concussion or exhibits signs or symptoms of concussion until completion of assessment or medical clearance
41 conforming to Association regulation.”

SYNOPSIS

The Act requires the Delaware Interscholastic Athletic Association (DIAA) to adopt regulations regarding the appropriate recognition and management of student athletes exhibiting signs and symptoms consistent with a concussion during practices, scrimmages and interscholastic contests. It also requires the signing of an informational sheet by students and their parents or guardians. This Act is limited to member schools of the DIAA.
