HOUSE BILL NO. 319

AN ACT TO AMEND TITLES 19 AND 29 OF THE DELAWARE CODE RELATING TO AN EMPLOYMENT FIRST PRIORITY POLICY FOR PERSONS WITH DISABILITIES.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

1 Section 1. Amend Chapter 7, Title 19 of the Delaware Code by making insertions as shown by underlining as
2 follows:

3 Subchapter V. Employment First Act

4 § 740. Short title.

5 This subchapter may be known and cited as the "Employment First Act."

6 § 741. Statement of purpose.

7 The General Assembly finds that the benefits of meaningful work have significance and importance to all working
8 age individuals, including persons with disabilities, which shall include, but not be limited to, veterans with service-
9 connected disabilities. Persons with disabilities have a right to the opportunity for competitive employment. In order to
10 achieve meaningful and competitive employment for persons with disabilities, employment opportunities in fully integrated
11 work settings shall be the first and priority option explored in the service planning for working age persons with disabilities.

12 § 742. Definitions.

13 As used in this subchapter, unless the context otherwise requires:

14 (1) "Competitive employment" means work in the competitive labor market that is performed on a full-time or
15 part-time basis in an integrated setting and for which a person with a disability is compensated at or above the minimum
16 wage, but not less than the customary wage and level of benefits paid by the employer for the same or similar work
17 performed by persons without disabilities.

18 (2) "Disability" means, with respect to an individual:

19 a. a physical or mental impairment that substantially limits one or more major life activities of such
20 individual;

21 b. a record of such an impairment; or

22 c. being regarded as having such an impairment,

23 as defined in the Americans with Disabilities Act of 1990, as amended.

24 (3) “Integrated setting” means with respect to an employment outcome, a setting typically found in the community
25 in which persons with disabilities interact with persons without disabilities, other than persons without disabilities who are
26 providing services to those persons with disabilities, to the same extent that persons without disabilities in comparable
27 positions interact with other persons.

28 (4) “Working age” means 14 years of age or older in accordance with § 505, Title 19 of this Code.

29 § 743. Employment first policy.

30 It is hereby declared to be the policy of this State that competitive employment in an integrated setting shall be
31 considered its first and priority option when offering or providing services to persons with disabilities who are of working
32 age. All state agencies that provide services and support to persons with disabilities shall follow this policy and ensure that
33 it is effectively implemented in their programs and services. Nothing in this Act shall be construed to limit or disallow any
34 disability benefits to which a person with a disability who is unable to be employed as contemplated by this Act would
35 otherwise be entitled. Nothing in this Act shall be construed to require any employer to give preference to hiring persons
36 with disabilities.

37 § 744. Implementation of policy by state agencies.

38 (a) All state agencies shall coordinate efforts and shall collaborate within and among such agencies to ensure that
39 state programs, policies, procedures and funding support competitive employment in integrated settings for persons with
40 disabilities who are of working age. All state agencies shall, whenever feasible, share data and information across systems
41 in order to track progress toward full implementation of this Act. All state agencies are encouraged to adopt measurable
42 goals and objectives to promote assessment of progress in implementing this Act.

43 (b) State agencies are authorized to adopt rules and regulations to implement this Act.

44 § 745. Establishment of Employment First Oversight Commission.

45 (a) There is hereby established an Employment First Oversight Commission under the purview of the State
46 Council for Persons with Disabilities, which shall facilitate the full, effective and timely implementation of this Act.

47 (b) The Commission shall consist of 11 members, who are residents of this State. The Commission shall consist of
48 the following members:

49 (1) Four members who are persons with a disability and who are knowledgeable of disability issues and

66 may succeed himself or herself for 1 additional term; provided, however, that where a member was initially appointed to fill
67 a vacancy, such member may succeed himself or herself for only 1 additional full term. Any person appointed to fill a
68 vacancy on the Commission shall hold office for the remainder of the unexpired term of the former member. Each term of
69 office shall expire on the date specified in the appointment; however, the member shall remain eligible to participate in
70 Commission proceedings unless and until such member's successor is duly appointed.
71 (d) The terms of the members of the Commission shall be staggered. Four members shall serve an initial term of 3
72 years, 4 members shall serve an initial term of 2 years, and the remaining members shall serve an initial term of 1 year.
73 Thereafter, all terms shall be for 3 years.
74 (e) A person, who has never served on the Commission, may be appointed to the Commission for 2 consecutive
75 terms; but no such person shall thereafter be eligible for 2 consecutive appointments. No person, who has been twice
76 appointed to the Commission or who has served on the Commission for 6 years within any 9-year period, shall again be
77 appointed to the Commission until an interim period of at least 1 term has expired since such person last served.
78 (f) Members of the Commission shall serve without compensation.
79 (g) Any member, who is absent without adequate reason for 3 consecutive meetings, or who fails to attend at least

81 Commission.

82 § 746. Commission organization; meetings; officers; quorum.

89 (a) The Commission shall review measurable goals and objectives as submitted to it by each relevant state agency
90 to ensure implementation of this Act. The Commission shall track the measurable progress of state agencies in
91 implementing this Act. All state agencies shall fully cooperate with and provide data and information to assist the
92 Commission in carrying out its duties.

93 (b) The Commission shall prepare an annual report as part of, and included in, the annual report submitted by the
94 State Council for Persons with Disabilities to the Governor and members of the General Assembly. The report shall detail
95 progress toward the goals and objectives and full implementation of this Act. All state agencies shall cooperate with the
96 Commission on the creation and dissemination of the report. The report also shall identify barriers to achieving the

SYNOPSIS

All persons with disabilities, including veterans with service-connected disabilities, have a right to the opportunity for competitive employment. To promote the realization of this right, this bill creates the Employment First Act. The Act requires that state agencies that provide services and support to persons with disabilities shall consider, as their first option, competitive employment in an integrated setting for persons with disabilities. The Act does not require an employer to give preference to hiring persons with disabilities.

The Act requires all state agencies to follow this policy for employment by coordinating and collaborating efforts among agencies. In addition, agencies may share data and information whenever possible across systems in order to track progress. State agencies may adopt rules and regulations to implement the Act.

This Act further establishes an Employment First Oversight Commission as part of the State Council for Persons with Disabilities. The Commission reviews measurable goals and objectives as submitted to it by each relevant state agency to ensure implementation of the Act. The Commission tracks the measurable progress of state agencies in implementing the Act. The Commission prepares an annual report as part of the annual report submitted by the State Council for Persons with Disabilities to the Governor and the General Assembly. The report details progress made toward the goals and objectives as well as strategies and policies to help realize the employment first initiative.
