50 § 4002(k) "Fair share fee" means a fee that a nonmember shall be required to pay to the exclusive representative to  
51 offset the nonmember's per capita share of the exclusive representative's expenditures. Such fee shall be equal in amount to  
52 regular membership dues that a member of the exclusive representative is required to pay, including payments to the  
53 exclusive representative's affiliated organizations, or such lesser amount as is prescribed by the exclusive representative in  
54 compliance with the procedures contained herein.

55 § 4019 Fair share fees.

56 (a) If the provisions of a collective bargaining agreement so provide, each nonmember of a bargaining unit shall be

58 (b) To implement fair share fee agreements in accordance with subsection (a), the exclusive representative shall  
59 provide the public school employer with the name of each nonmember who is obligated to pay a fair share fee, the amount  
60 of the fee that the nonmember is obligated to pay and a reasonable and lawful schedule for deducting said amount from the  
61 salary or wages of such nonmember. The public school employer shall deduct the fee in accordance with said schedule and  
62 promptly transmit the amount deducted to the exclusive representative.

63 (c) As a precondition to the collection of fair share fees, the exclusive representative shall establish and maintain a  
64 procedure that:

65 (1) Provides nonmembers with an adequate explanation of the basis for the fee;

66 (2) Provides nonmembers with a reasonably prompt opportunity to challenge the amount of the fee before an  
67 impartial decision maker; and

68 (3) Provides an escrow for the amounts reasonably in dispute while such challenges are pending.

69 A public school employer shall not refuse to carry out its obligations under subsection (b) on the grounds that the  
70 exclusive representative has not satisfied its responsibilities under this subsection.

71 (d) Since fair share fees are collected each school year, in order to avoid undue delays in the receipt of, and  
72 determination of the validity of, fair share fees, any suit challenging a fair share fee must be filed within 6 months after  
73 receipt of the notice described in subsection (c), or within 6 months after the nonmember exhausts the procedure described  
74 in subsection (c), whichever is later.

75 Section 3. Amend Title 19 of the Delaware Code by making deletions as shown by strike through and insertions  
76 as shown by underline as follows:

77 § 1302(k) "Fair share fee" means a fee that a nonmember shall be required to pay to the nonmember's exclusive  
78 representative to offset the nonmember's pro rata share of the exclusive representative's expenditures. Such fee shall be  
79 equal in amount to regular membership dues that a member of the exclusive representative's affiliated organizations,

82 § 1302(q) "Rebate" means that portion of a nonmember's pro rata share of the expenditures of the exclusive  
83 representative which are not made for purposes pertaining to the collective bargaining process, contract administration or  
84 pursuit of matters affecting wages, hours and other conditions of employment.

85 § 1319 Fair share fees.

86 (a) Where the provisions of a collective bargaining agreement so provide, a public employer shall deduct a fair  
87 share fee from each nonmember's salary or wages and promptly transmit this amount to the exclusive representative.

88 (b) As a precondition to the collection of fair share fees, the exclusive representative shall establish and maintain a  
89 procedure that:

90 (1) Provides nonmembers with an adequate explanation of the basis for the fee and any rebate;

91 (2) Provides nonmembers with a reasonably prompt opportunity to challenge the amount of the fee and any rebate  
92 before an impartial decision maker; and

93 (3) Provides an escrow for the amounts reasonably in dispute while such challenges are pending.

94 A public employer shall not refuse to carry out its obligations under subsection (a) of this section on the grounds  
95 that the exclusive representative has not satisfied its responsibilities under this subsection.

96 (c) In order to avoid undue delays in the receipt of and determination of the validity of fair share fees or rebates,  
97 any suit challenging a fair share fee or rebate must be filed within 6 months after receipt of the notice described in  
98 subsection (b) of this section or within 6 months after the nonmember exhausts the procedure described in subsection (b) of  
99 this section, whichever is later.

100 Section 4. Severability Clause. If any provision of this Act or the application of any such provision to any person  
101 or circumstance should be held invalid by a Court of competent jurisdiction, the remainder of this Act or the application of  
102 its provisions to persons or circumstances other than those to which it is held invalid shall not be affected thereby.
