HOUSE OF REPRESENTATIVES
147th GENERAL ASSEMBLY

HOUSE BILL NO. 309

AN ACT TO AMEND TITLE 16 OF THE DELAWARE CODE RELATING TO THE CLEAN INDOOR AIR ACT.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

1 Section 1. Amend Chapter 29, Title 16 of the Delaware Code by making deletions as shown by strike through and
2 insertions as shown by underline as follows and redesignating accordingly:

3 § 2901 Legislative intent.

4 The General Assembly finds that it is in the best interest of the people of this State to protect nonsmokers from
5 involuntary exposure to environmental tobacco smoke and emissions produced by electronic cigarettes in most indoor areas
6 open to the public, public meetings, foods service establishments and places of employment.

7 The General Assembly recognizes that a balance should be struck between the health concerns of nonconsumers of
8 tobacco products and the need to minimize unwarranted governmental intrusion into and regulation of private spheres of
9 conduct and choice with respect to the use or nonuse of tobacco products in certain designated public areas and in private
10 places. Therefore, the General Assembly declares that the purpose of this act is to preserve and improve the health, comfort
11 and environment of the people of this State by limiting exposure to tobacco smoke and emissions produced by electronic
12 cigarettes.
