3. This Act increases the personal income tax exclusion for military pensions for persons under the age of 60 from \$2,000 to \$12,500 for tax years beginning on or after January 1, 2022.
4. According to the U.S. Department of Veterans Affairs, as of September 30, 2017, there were 71,845 veterans in Delaware. Of these veterans, 9,108 are military retirees.
5. The Department of Finance reports that 1,529 individuals under the age of 60 received military income in 2018. The majority of these individuals had military retirement income greater than \$12,500.
