10 ~~(b) The salaries displayed below represent the salary effective on January 1, 2013.~~

11 ~~(02-08-00) Chief Judge - Family Court 191,360~~

12 ~~(02-08-00) Associate Judge - Family Court 180,233~~

13 ~~(e)(b)~~ (i) Salaries of designated positions in Section 10(a) of this Act shall have no further
14 increase applied by any other section of this Act, except as provided in Section 10(b) ~~and~~
15 ~~10(e)(ii), (iii), (iv), (vi) and (vii).~~

16 (ii) If a position in Section 10(a) becomes vacant during the fiscal year, the appointing
17 authority shall submit a request with appropriate justification to the Director of the Office
18 of Management and Budget to establish the salary commensurate with the qualifications
19 of the proposed incumbent and within the position's evaluated pay range. In reviewing
20 requests made pursuant to this paragraph, the Director of the Office of Management and
21 Budget shall provide an analysis of the request and shall solicit the advice and written
22 consent of the Controller General in the event the salary is higher than the amount listed
23 in Section 10(a).

24 (iii) Regardless of the provisions of this Act, any state employee who is offered a promotional
25 opportunity to become a division level manager shall be eligible for a 5 percent
26 promotional salary increase. This eligibility shall be conditioned on a determination that
27 the duties and responsibilities of the division level manager position are at least one pay
28 grade higher than the position proposed to be vacated based on a comparison of
29 equivalent value. For the purpose of this subsection, the equivalent value of one pay

1 grade is defined as 7 percent difference in the constant fiscal year dollar value of the

4 promotional increase in excess of 5 percent based upon the qualifications of the selected
5 candidate. The request and appropriate justification shall be submitted to the Director of
6 the Office of Management and Budget. In reviewing requests made pursuant to this
7 paragraph, the Director of the Office of Management and Budget shall provide an
8 analysis of the request, and shall solicit the advice and written consent of the Controller
9 General.

10 If an employee is offered an appointment to a division level manager position
11 that has an equivalent value equal to or less than the pay grade assigned to the position
12 the employee is vacating, the employee may retain his/her current salary provided it does
13 not exceed the midpoint of the evaluated pay range for the division level manager
14 position. The appointing authority may request the retention of salary in excess of the
15 midpoint of the evaluated pay range for the division level manager position by submitting
16 appropriate justification to the Director of the Office of Management and Budget. In
17 reviewing requests made pursuant to this paragraph, the Director of the Office of
18 Management and Budget shall provide an analysis of the request and shall solicit the
19 advice and written consent of the Controller General.

20 (iv) Positions designated in Section 10(a) of this Act may be paid a salary that is less than the
21 designated salary if the position is filled on an "acting" basis.

22 (v) An agency may request a dual incumbency for a division director or equivalent position
23 in Section 10(a), provided that the Director of the Office of Management and Budget and
24 the Controller General determine that the position is essential to fill during the interim
25 period it would otherwise be vacant. The agency shall submit a request to the Office of
26 Management and Budget. The Director of the Office of Management and Budget shall
27 review this request and seek the advice and written consent of the Controller General.

(vi) If the incumbent in the position of Secretary - Health and Social Services holds a state medical license, the salary listed in Section 10(a) of this Act for that position shall be increased by \$12.0. Additionally, if the incumbent in the position of Secretary - Health and Social Services is a board-certified physician, a \$3.0 supplement shall be added to the annual salary listed in Section 10(a) of this Act.

(vii) The salary for the Superintendent and Assistant Superintendent of the State Police shall remain as listed in Section 10 of this Act during the fiscal year. Upon vacancy of the Superintendent or Assistant Superintendent, the salary in Section 10 shall be calculated in accordance with 11 Del. C. § 8303. No changes shall be made to the salaries of any incumbent Superintendent or Assistant Superintendent of the State Police during the fiscal year; necessary adjustments shall be made through the normal budgetary process.

~~(d)~~ (c) Effective May 1, ~~2013~~ 2014, the Office of Management and Budget shall submit to the Joint Finance Committee a listing of employees designated in Section 10(a). 15 not used within 180 calendar days of accrual.

16 **Section 12.** With the exception of the custodial work associated with Legislative Hall and the

15 level up the salary of the existing employees, and shall indicate if sufficient funds exist within the
16 agency's base budget to fund such a leveling-up action. Notwithstanding any provisions of this Act or the
17 Delaware Code to the contrary, no provision of Chapter 4.0 of the Merit Rules shall be considered
18 compensation for the purposes of collective bargaining and leveling up can only occur with the
19 concurrence of the Director of the Office of Management and Budget and the Controller General. The

12 by the Director of the Office of Management and Budget and the Controller General, temporary
