AN ACT TO AMEND TITLES 22, 29, 30, AND 31 OF THE DELAWARE CODE RELATING TO DOWNTOWN DEVELOPMENT DISTRICTS.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF DELAWARE:

1           Section 1. Amend Title 22 of the Delaware Code by inserting a new Chapter 19 therein and by making deletions  
2 as shown by strike through and insertions as shown by underline as follows:

3           Chapter 19. The Downtown Development Districts Act.

4           Subpart I. Establishment, Amendment, and Termination of Districts.

5           § 1901. Purpose. Healthy and vibrant downtowns are critical components of Delaware's economic well-being and  
6 quality of life. The purpose of this chapter is to leverage the resources of state government in a limited number of  
7 designated areas in Delaware's cities, towns, and unincorporated areas in a multifaceted effort:

8           (a) To spur private capital investment in commercial business districts and surrounding neighborhoods;

9           (b) To stimulate job growth and improve the commercial vitality of such districts and neighborhoods;

10           (c) To help build a stable community of long-term residents in such districts and neighborhoods by improving  
11 housing opportunities for persons of all incomes and backgrounds; increasing homeownership rates; building a diverse  
12 array of successful businesses; and reducing the number of vacant houses; and

13           (d) To help strengthen neighborhoods, while harnessing the attraction that vibrant downtowns hold for talented  
14 young people, innovative small businesses, and residents from all walks of life.

15           § 1902. Definitions. As used in this chapter:

16           (1) "Committee" means the Cabinet Committee on State Planning Issues established pursuant to 29 Del.C. §§  
17 9101 et seq.

18           (2) "District Plan" means the strategic plan or other detailed description of the overall strategy for the development  
19 of a proposed district submitted by the municipality or unincorporated area as part of its application for District designation.

20           (3) "DSHA" means the Delaware State Housing Authority.

(4) “Downtown” means that portion of a city, town, or unincorporated area that traditionally comprises its downtown or central business district, as determined by such city, town, or unincorporated area in accordance with guidelines promulgated by the Office.

(5) “Downtown Development District” or “District” means an area within a municipality or unincorporated area designated as a Downtown Development District in accordance with the provisions of this chapter.

(6) “Municipality” means any incorporated town or city of this State.

(7) “Office” means the Office of State Planning Coordination.

(8) “Unincorporated area” means an area of the State having a concentration of population that is not a municipality and that is eligible to apply for and receive District designation in accordance with rules promulgated by the Office.

(a) At the request of the Governor, the Office shall solicit applications from municipalities and unincorporated areas to have an area designated as a Downtown Development District. Such application shall include a description of the area to be included; the need for District incentives; the District Plan; local incentives offered; and such other information as may be required by the Office.

(b) The Office of State Planning Coordination shall administer the application process and establish criteria to determine what areas qualify as Downtown Development Districts. The Office is authorized to take such actions as may be necessary or convenient to fulfill its responsibilities hereunder, including but not limited to promulgating rules and regulations relating to the establishment, amendment, and termination of Districts and providing assistance to municipalities and unincorporated areas in connection with the application process.

(c) The criteria for designating areas as Downtown Development Districts shall include:

(1) The need and impact of such a designation for such area, including but not limited to income, unemployment rate, homeownership rate, and prevalence of vacant or abandoned housing units in such municipality or unincorporated area. Need and impact factors shall account for at least 50 percent of the consideration given to applications for District designation;

(2) The quality of the municipality’s or unincorporated area’s District Plan;

(3) The quality of the local incentives offered; and

(4) Such other criteria as may be determined by the Office.

§ 1904. Review and approval of applications.

(b) Upon receipt from the Committee of any recommended application, the Governor (i) may designate immediately the recommended area as a District; (ii) may designate the recommended area as a District effective one year from the date of such determination by the Governor; or (iii) may deny such application.

(c) The initial round of applications shall result in the immediate designation of at least one but no more than three Districts.

§ 1905. Designation, renewal, and amendment of Districts.

(a) No more than 15 Districts shall be designated at any one time. Designation of the first three Districts shall include one District in each county.

(b) Districts shall be designated for an initial 10-year period. Upon recommendation of the Committee, the Governor may renew Districts for up to two five-year renewal periods. Recommendations for renewals shall be based on the performance of District responsibilities by the municipality (or county in the case of an unincorporated area); the continued need for such a District; and its effectiveness in creating capital investment, increasing population, creating jobs, improving housing stock, providing enhanced retail and entertainment opportunities, and otherwise improving the quality of life within such District.

(c) Any municipality (or county in the case of an unincorporated area) having a District within its borders shall be responsible for providing the local incentives specified in its application, providing timely submission of reports and evaluations as required by rule or regulation, implementing an active local Development District program within the context of overall economic and community development efforts, and fulfilling such other responsibilities as may be required by law, rule, or regulation in connection with such District.

Such local incentives may include but are not limited to a reduction in fees or taxes. In addition, the application may also contain proposals for regulatory flexibility, which may include but are not limited to permit process reforms, special zoning districts, or exemptions from local ordinances.

(b) All incentives proposed in the application shall be binding upon the municipality (or county in the case of an unincorporated area) upon designation of the District. The extent and duration of such incentives shall be consistent with the requirements of the Delaware Constitution and the United States Constitution.

(c) A municipality or county may establish eligibility criteria for local incentives that differ from the criteria required to qualify for the incentives provided in this chapter.

#### § 1907. Amendments to District boundaries and incentives.

A municipality or county may apply to the Office to amend the boundaries of the District or to amend one or more District incentives, provided that any revised incentive proposed by the municipality or county shall be equal or superior to the incentive for which the amendment is sought. All proposed amendments are subject to approval by the Committee.

#### § 1908. Formal Review and Termination of Districts.

(a) If a municipality (or a county in the case of an unincorporated area) fails to fulfill its obligations pursuant to § 1905 or as otherwise set forth in this Act, then the Office may recommend to the Committee that the District be placed under formal review or that its District designation be terminated.

(b) Except in instances where a city, town, or municipality fails to provide local incentives in accordance with § 1906 hereunder, the Office (1) may not recommend placing any District under formal review for at least 2 years following the initial designation of such District, and (2) may not recommend terminating the designation of any District for at least 1 year following the placement of the District on formal review by the Committee.

(c) In no event shall the Office recommend formal review or termination of any District without providing sufficient notice and opportunity to be heard to such District.

(d) The Committee may approve any recommendation by the Office to place a District under formal review or to terminate a District's designation upon the affirmative vote of three-fifths of the members of the Committee.

(b) For purposes of this chapter:

110 (1) “DDD Grant” or “Grant” shall mean a Downtown Development District Grant as set forth in paragraph (a)  
111 hereunder.

112 (2) “Facility” means a complex of buildings, co-located at a single physical location within a District, all of which

126 community, as such term is defined in 25 Del.C. § 81-103(11), the amounts of qualified real property investments specified  
127 in this chapter shall relate to that proportion of the building for which the owner holds title and not to common elements.

128 (5) “Qualified Real Property Investment” means the amount in excess of the Minimum Qualified Investment  
129 Threshold that is properly chargeable to a capital account for improvements to rehabilitate, expand or construct depreciable  
130 real property placed in service during the calendar year within a District. Specific inclusions and exclusions from the  
131 definition of “Qualified Real Property Investments” shall be determined by DSHA, but such definition shall generally

137 § 1922. Limitations and Conditions.

138 (a) The availability of Downtown Development District Grants in any given year shall be subject to appropriation  
139 by the General Assembly.

(4) Incentivizing particular types of uses or projects in one or more Districts; and

(5) Establishing such other limitations and conditions in one or more Districts as DSHA shall determine from time to time.

(c) DSHA may establish or amend the foregoing limitations and conditions no more often than once per year.

#### SYNOPSIS

Healthy and vibrant downtowns are critical components of Delaware's economic well-being and quality of life. The Downtown Development Districts Act is intended to leverage state resources to spur private investment in commercial business districts and surrounding neighborhoods; to improve the commercial vitality of our downtowns; and to increase the number of residents from all walks of life in downtowns and surrounding neighborhoods.

This Act establishes "Downtown Development Districts," a small number of areas in our cities, towns, and unincorporated areas that will qualify for development incentives and other state benefits. Municipalities must apply for District designation. In the case of unincorporated areas, counties must apply. Applications will be evaluated by the Cabinet Committee on State Planning Issues, which will make recommendations to the Governor. Following the initial round of applications, the Governor must designate at least 1 but no more than 3 Districts. Designation of the first 3 Districts must include 1 District in each county. Under the Act, no more than 15 Districts may be designated at any one time.

As part of the application process, municipalities or counties must offer local incentives. The factors to be considered by the Committee when evaluating applications include, among others, (1) the municipality's or unincorporated area's need for District designation; (2) the quality of the District Plan; and (3) the quality of the local incentives offered. The Office of State Planning Coordination will prepare applications, establish criteria to determine what areas qualify as DDDs, and provide assistance to municipalities and counties during the application process.

Under the Act, investors (both non-profit and for-profit) who make qualified real estate improvements in a District would be entitled to receive Downtown Development District (DDD) Grants of up to 20 percent of their "hard costs" such as exterior, interior, and structural improvements. The incentive is modeled after a similar program in Virginia, which has been extremely successful in leveraging significant amounts of private capital in under-served areas. Investors would need to invest at least \$25,000 in a building or facility to qualify, and the 20 percent incentive would only qualify with respect to investments above \$25,000. For example, an investor making \$45,000 worth of qualifying investments in a District would be entitled to a DDD Grant of up to \$4,000 (*i.e.*, 20% of \$20,000). The Act gives DSHA the authority to cap the amount of Grants and to establish further conditions and limitations.

In addition, because Delaware's Historic Preservation Tax Credit Program has proven to be a powerful tool both in preserving important historic structures and revitalizing neighborhoods, the Act also provides that 30% of the state's yearly allocation of HPTCs will be reserved for projects in Downtown Development Districts. If by April 1 of each year any such credits are not allocated to projects in DDDs, such credits will be made available to any eligible project statewide.
