26 3. "Sexual contact" shall have the meaning as used in § 761 of this title except that the person
27 depicted need not be engaging in sexual contact with the actor for the definition in § 761 of this title to apply
28 and sexual contact does not include touching when covered by clothing.

29 4. "Sexual intercourse" shall have the meaning as used in § 761 of this title.

30 5. "Visual depiction" shall have the meaning as used in § 1100 of this title.

34 b. For the purposes of paragraph (a)(9), each of the following shall be an aggravating factor and shall be
35 alleged in the charging information or indictment and constitute an element of the offense:

72 ~~or (a)(7)~~, (a)(7), (a)(9)b., or (a)(9)c. of this section shall be a class G felony.

SYNOPSIS

This bill adds to the existing crime of Violation of Privacy additional prohibited conduct related to the non-consensual dissemination of visual depictions containing nudity or sexual acts, conduct popularly referred to as “revenge porn”. “Revenge porn” typically refers to the situation where visual depictions are consensually given to an intimate partner who, after the end of the relationship, later disseminates them without the consent of the person depicted. As a result, the person depicted unwillingly becomes sexual entertainment for strangers and the person’s career and standing within the community can be negatively impacted.

The bill details six situations that would aggravate this offense: (1) obtaining the visual depiction without the consent of the person depicted, (2) committing the offense for profit, (3) maintaining an internet website, online service, online application, or mobile application for the purpose of committing this offense, (4) committing this offense with the intent to harass, annoy, or alarm the person depicted, (5) committing this offense and pairing the visual depiction with personally identifiable information of the person depicted, and (6) committing this offense within 5 years of a prior conviction for this offense.

This bill makes clear that in addition to when the consent of the person depicted is given, certain currently lawful conduct is not intended to be made unlawful by the addition of this paragraph to the crime of Violation of Privacy.

This bill further amends the existing crime of Violation of Privacy to make this offense a class B misdemeanor and to make this offense, when aggravated, a class G felony.
