131 § 2510A. Right to rescind request.

132 A patient may rescind his or her request at any time and in any manner without regard to his or her mental state.

134 physician offering the qualified patient an opportunity to rescind the request.

135 § 2511A. Waiting and expiration periods.

137 under § 2501A through § 2518A of this Chapter. No less than 48 hours shall elapse between the patient's written request  
138 and the writing of a prescription under § 2501A through § 2518A of this Chapter.

139 (b) The patient's initial oral request shall automatically expire after 90 days if a prescription is not written pursuant  
140 to § 2501A through § 2518 of this Chapter during that time. If the initial oral request has expired a prescription shall not be  
141 written based on that initial oral request. However, the patient may make a subsequent initial oral request.

166 2501A through § 2518A of this Chapter to file a copy of the dispensing record with the Department.

167 (b) The Department shall make rules and regulations to facilitate the collection of information regarding  
168 compliance with § 2501A through § 2518A of this Chapter. Except as otherwise required by law, the information collected  
169 shall not be a public record and may not be made available for inspection by the public.

170 (c) The Department shall generate and make available to the public an annual statistical report of information  
171 collected under of this section.

173 professionals and institutions implementing § 2501A through § 2518A of this Chapter.

174 § 2515A. Effect on construction of wills, contracts, and statutes.

175 (a) No provision in a will, contract, or other agreement, whether written or oral, to the extent the provision would  
176 affect whether a person may make or rescind a request for medication to end his or her life in a humane and dignified  
177 manner, shall be valid.

178 (b) No obligation owing under any currently existing contract shall be conditioned or affected by the making or  
179 rescinding of a request, by a person, for medication to end his or her life in a humane and dignified manner.

180 § 2516A. Insurance or annuity policies.

181 (a) Any provision in an insurance policy, an annuity, a contract, or any other agreement, issued or made on or after  
182 the effective date of this Chapter is not valid to the extent that the provision would attach consequences to or otherwise

183 restrict or influence an individual's decision to make or rescind a request for medication to end his or her life in a humane  
184 and dignified manner pursuant to this Chapter.

185 (b) Any obligation under a contract existing on the effective date of this Chapter may not be conditioned on or  
186 affected by the making or rescinding of a request for medication to end his or her life in a humane and dignified manner  
187 pursuant to this Chapter.

188 (c) The sale, procurement, or issuance of a life, a health, or an accident insurance or annuity policy or the rate  
189 charged for a life, a health, or an accident insurance or annuity policy may not be conditioned on or affected by the making  
190 or rescinding of a request for aid in dying under this Chapter.

191 (d) A qualified patient's act of ingesting medication to end his or her life in a humane and dignified manner  
192 pursuant to this Chapter may not have an effect under a life, a health, or an accident insurance or annuity policy that differs  
193 from the effect under the policy of the patient's death from natural causes.

194 § 2517A. Construction of Act.

195 Nothing in this Chapter shall be construed to authorize a physician or any other person to end a patient's life by  
196 lethal injection, mercy killing or active euthanasia. Actions taken in accordance with § 2501A through § 2518A of this  
197 Chapter shall not, for any purpose, constitute suicide, assisted suicide, mercy killing or homicide.

198 § 2518A. Immunities; basis for prohibiting health care provider from participation; notification; permissible  
199 sanctions. Except as provided in this Chapter:

200 (a) No person shall be subject to civil or criminal liability or professional disciplinary action for participating in  
201 good faith compliance with § 2501A through § 2518A of this Chapter. This includes being present when a qualified patient  
202 takes the prescribed medication to end his or her life in a humane and dignified manner.

203 (b) No professional organization or association, or health care provider, may subject a person to censure,  
204 discipline, suspension, loss of license, loss of privileges, loss of membership or other penalty for participating or refusing to  
205 participate in good faith compliance with § 2501A through § 2518A of this Chapter.

206 (c) No request by a patient for or provision by an attending physician of medication in good faith compliance with  
207 the provisions of § 2501A through § 2518A of this Chapter shall constitute abuse or neglect for any purpose of law or  
208 provide the sole basis for the appointment of a guardian or involuntary commitment.

209 (d) No health care provider shall be under any duty, whether by contract, by statute, or by any other legal  
210 requirement, to participate in the provision to a qualified patient of medication to end his or her life in a humane and  
211 dignified manner. If a health care provider is unable or unwilling to carry out a patient's request under § 2501A through §  
212 2518A of this Chapter, and the patient transfers his or her care to a new health care provider, the prior health care provider  
213 shall transfer, upon request, a copy of the patient's relevant medical records to the new health care provider.

214 (e)(1) Notwithstanding any other provision of law, a health care facility may prohibit a health care provider from  
215 participating in § 2501A through § 2518A of this Chapter on the premises of the prohibiting facility if the prohibiting  
216 facility has notified the health care provider of the prohibiting facility's policy regarding participating in § 2501A through §  
217 2518A of this Chapter. Nothing in this paragraph prevents a health care provider from providing health care services to a  
218 patient that do not constitute participation in § 2501A through § 2518A of this Chapter.

219 (2) Notwithstanding the provisions of subsections (a) through (d) of this section, a health care facility  
220 may subject a health care provider to the sanctions stated in this paragraph if the sanctioning health care facility  
221 has notified the sanctioned provider prior to participation in § 2501A through § 2518A of this Chapter that it  
222 prohibits such participation:

223 a. Loss of privileges, loss of membership, or other sanction provided pursuant to the medical  
224 staff bylaws, policies, and procedures of the sanctioning health care facility if the sanctioned provider is a  
225 member of the sanctioning facility's medical staff and participates in § 2501A through § 2518A of this  
226 Chapter while on the premises of the sanctioning health care facility, but not including the private  
227 medical office of the sanctioned provider;

228 b. Termination of lease or other property contract or other non-monetary remedies provided by  
229 lease contract, not including loss or restriction of medical staff privileges or exclusion from a provider  
230 panel, if the sanctioned provider participates in § 2501A through § 2518A of this Chapter while on the  
231 premises of the sanctioning health care facility or on property that is owned by or under the direct control  
232 of the sanctioning health care facility; or

233 c. Termination of contract or other non-monetary remedies provided by contract if the  
234 sanctioned provider participates in § 2501A through § 2518A of this Chapter while acting in the course  
235 and scope of the sanctioned provider's capacity as an employee or independent contractor of the  
236 sanctioning health care facility. Nothing in this paragraph shall be construed to prevent:

237 (i) A health care provider from participating in § 2501A through § 2518A of this  
238 Chapter while acting outside the course and scope of the provider's capacity as an employee or  
239 independent contractor; or

240 (ii) A patient from contracting with his or her attending physician and consulting  
241 physician to act outside the course and scope of the provider's capacity as an employee or  
242 independent contractor of the sanctioning health care facility.

243 (3) A health care facility that imposes sanctions pursuant to paragraph (2) of this subsection must follow  
244 all due process and other procedures the sanctioning health care provider has that are related to the imposition of  
245 sanctions on a health care provider.

246 (4) For purposes of this subsection:

247 a. "Notify" means a separate statement in writing to the health care provider specifically  
248 informing the health care provider prior to the provider's participation in § 2501A through § 2518A of  
249 this Chapter of the sanctioning health care provider's policy about participation in activities covered by §  
250 2501A through § 2518A of this Chapter.

251 b. "Participate in § 2501A through § 2518A of this Chapter" means to perform the duties of an  
252 attending physician in § 2504A of this Chapter, the consulting physician function in § 2505A of this  
253 Chapter, or the counseling function in § 2506A of this Chapter. "Participate in § 2501A through § 2518A  
254 of this Chapter" does not include:

255 (i) Making an initial determination that a patient has a terminal disease and informing  
256 the patient of the medical prognosis;

257 (ii) Providing information about the Delaware Death with Dignity Act to a patient upon  
258 the request of the patient;

259 (iii) Providing a patient, upon the request of the patient, with a referral to another  
260 physician; or

261 (iv) A patient contracting with his or her attending physician and consulting physician  
262 to act outside of the course and scope of the provider's capacity as an employee or independent  
263 contractor of the sanctioning health care provider.

264 (f) Suspension or termination of staff membership or privileges under subsection (e) of this section is not  
265 reportable under this Chapter. Action taken pursuant to § 2504A, § 2505A, or § 2506A of this Chapter shall not be the sole  
266 basis for a report of unprofessional or dishonorable conduct.

267 (g) No provision of § 2501A through § 2518A of this Chapter shall be construed to allow a lower standard of care  
268 for patients in the community where the patient is treated or a similar community.

269 § 2520A. Claims by governmental entity for costs incurred.

270 Any governmental entity that incurs costs resulting from a person terminating his or her life pursuant to the  
271 provisions of § 2501A through § 2518A of this Chapter in a public place shall have a claim against the estate of the person  
272 to recover such costs and reasonable attorney fees related to enforcing the claim.

273 § 2521A. Form of the request.

274 A request for a medication as authorized by § 2501A through § 2518A of this Chapter shall be in substantially the
