HOUSE OF REPRESENTATIVES  
149th GENERAL ASSEMBLY

HOUSE CONCURRENT RESOLUTION NO. 44

DESIGNATING THE THIRD WEEK OF SEPTEMBER, IN 2017 AS “AWARENESS WEEK FOR THE PREVENTION, RECOGNITION, AND TREATMENT OF PRENATAL SUBSTANCE EXPOSURE IN INFANTS AND TO SUPPORT HEALTHY FAMILIES IN DELAWARE.

1 WHEREAS, abuse of and dependence on prescription painkillers, opioids, alcohol, marijuana, and other drugs  
2 have led to an epidemic across this state and throughout the nation; and

3 WHEREAS, substance use disorder is a chronic disease that needs a variety of supportive services and  
4 engagement to prevent and overcome; and

5 WHEREAS, the rate of opioid abuse and drug dependency among pregnant women has increased in our nation;  
6 and

7 WHEREAS, prenatal exposure to opioids and other drugs may cause infants to be born with an dependency  
8 condition known as Neonatal Abstinence Syndrome (NAS), which is an expected and treatable condition; and

9 WHEREAS, prenatal exposure to alcohol may cause infants to be born with Fetal Alcohol Spectrum Disorder,  
10 which may result in a lifetime of health problems; and

11 WHEREAS, many pregnant women have received false information, or no information at all, about how substance  
12 use could impact their pregnancy; and

13 WHEREAS, it is vital to avoid stigmatization of pregnant women suffering from substance use disorders and to  
14 offer compassion and understanding so that they may feel safe in seeking prenatal care and substance use treatment  
15 services; and

16 WHEREAS, the Division of Family Services received approximately 295 notifications of infants with prenatal  
17 substance exposure in 2015, and approximately 430 notifications in 2016; and

18 WHEREAS, prevention, education, public awareness, and knowledge of available treatment resources and  
19 services are crucial to reducing the physical, social and economic impact of addiction in families and prenatal substance  
20 exposure; and

21 WHEREAS, the State of Delaware is committed to promoting health and recovery by ensuring that our citizens  
22 have access to quality prevention and treatment for substance use and promoting safe environments and the compassionate  
23 care necessary to give every infant the best possible start in life;

24 NOW, THEREFORE:

25 BE IT RESOLVED by the House of Representatives of the 149<sup>th</sup> General Assembly of the State of Delaware, the  
26 Senate concurring therein, that the members of the Delaware General Assembly hereby designate the third week of  
27 September in 2017 as AWARENESS WEEK FOR THE PREVENTION, RECOGNITION, AND TREATMENT OF  
28 PRENATAL SUBSTANCE EXPOSURE IN INFANTS AND TO SUPPORT HEALTHY FAMILIES IN DELAWARE.

SYNOPSIS

This concurrent resolution designates the third week of September in 2017 as “Awareness Week for the Prevention, Recognition, and Treatment of Prenatal Substance Exposure in Infants and to Support Healthy Families in Delaware.
