**Assumptions:**

1. This Act is effective upon the signature of the Governor. Upon signature, the provisions of this Act become effective October 1, 2024.
2. This Act increases the burial benefit for the state employee pension plan, the State Police pension plan, and the Closed State Police pension plan from \$7,000 to \$8,000.
3. The total unfunded actuarial liability generated by this increase is \$13,165,400 for the State Employee pension plan, \$129,600 for the State Police pension plan, and \$158,900 for the Closed State Police pension plan. These amounts are amortized over a 5-year period. Upon amortization, the estimated first year cost to the State Employee Pension Plan is \$3,064,500 for the State Employee pension plan, \$30,100 for the New State Police pension plan, and \$38,800 for the Closed State Police pension plan. These costs are estimated to increase 2.5% in subsequent fiscal years. Additionally, there is an annual normal cost of \$156,800 associated with this increase.
4. It is assumed that 70% of the increased yearly required contribution for the unfunded actuarial liability and the normal cost will be from the General Fund.
5. This Act also increases the funeral expenses benefit for a deceased member of a volunteer fire company, volunteer fire company ladies auxiliary, or volunteer ambulance and rescue company from up to \$7,000 to \$8,000.

Upon implementation, the estimated annual cost increase associated with the increased benefit amount is \$249,077. Fiscal Year 2025 costs are prorated given the October 1, 2024, effective date of this Act.
7. The Act clarifies that a deceased member is entitled to this benefit if they are otherwise entitled to a burial benefit under the State Employee pension plan, the State Police pension plan, the Closed State Police pension plan, or the County and Municipal Police/Firefighter pension plan.
