

153rd GENERAL ASSEMBLY
FISCAL NOTE

BILL: HOUSE BILL NO. 374
SPONSOR: Representative Lambert
DESCRIPTION: AN ACT TO AMEND TITLE 29 OF THE DELAWARE CODE RELATING TO LARGE PUBLIC WORKS CONTRACTS.

Assumptions:

1. This Act is effective upon signature by the Governor.
2. This Act requires the Office of Management and Budget ("OMB") annually prepare a report regarding hiring during the previous calendar year for large public works projects with an aggregate cost of \$3 million or more. The Act further lists the various data elements to be included in the report for each employee hired on the project.
3. OMB estimates there are approximately 45 projects valued over \$3M in the FY 2027 Governor's Recommended Capital Budget that would be subject to required reporting under the Act.
4. Data meeting the requirements of the report is currently collected by the Department of Labor ("Department"). The Department has engaged a vendor to convert data received from contractors into a report that will allow OMB to comply with the mandates of the Act.
5. The Department estimates the need for one-time funding of \$20,000 to \$50,000 for system modifications.
